ABSTRACT

Data on the racial and ethnic composition of the Chicago Public Schools student population are presented in this report, which is based on a teacher-observation survey taken on October 31, 1985. The information is used in the development of reports required by various State and Federal agencies to provide for the planning and implementation of integration initiatives, and to assist in facilities management and planning. The entire report consists of four statistical tables: (1) Comparison of Student Racial/Ethnic Survey with previous year; (2) Summary of Survey by Level and Type of School; (3) Summary of Survey by District; and (4) School-by-School Listing of Survey, arranged by District. PREFACE

The data compiled in this report are the results of a teacher-observation survey taken on October 31, 1985.

These data are used to meet the reporting requirements of various federal and state agencies, to provide for the planning and implementation of integration initiatives, and to assist in facilities management and planning.

The report is divided into two major parts:
